

LOOKING BACK AT 25 YEARS OF SUCCESS

25 years ago, **InterRecherche** was founded as a daughter company of the German audit group EURO-TÜV Südwest. Since its creation, our company underwent a transformation from a project incubator into a mature boutique company specialized in EU projects.

We are proud to celebrate our 25th anniversary this year. We thank our friends and partners and look forward to the future with confidence.

A BIT OF HISTORY

In 2018 InterRecherche is alive, kicking and growing.

The year 2012 marks a turn in our company policy. Stefan and Frédéric buy out the other shareholders and decide to take InterRecherche to a new level.

In 2009 we start the cooperation with our trusted partner **CONCILIUS**

In 2008 Frédéric Maas joins the InterRecherche team and becomes Managing Partner in 2012.

In 1998 the company is relabelled as InterRecherche. Stefan Zickgraf becomes Managing Partner.

In 1993 the company is founded in Brussels as EURO-TÜV-Südwest.

WHAT WE DO

We assist our clients with EU-supported grants, tenders and initiatives in the fields of mobility, enterprise and industry, health and safety. Our values include transparency, integrity and confidentiality. Since 2010 alone, our team has co-managed projects with a total project volume in excess of 100 million € and a total funding contribution of over 35 million € for our customers.

OUR PROJECT-RELATED SERVICE PORTFOLIO COVERS:

- Project applications
- Waterfall and agile project management
- Innovation management
- Strategy regarding programme policies
- Legal support regarding EU projects
- Studies at EU-level
- Successfully promoting project ideas at EU-level
- Regulatory strategies
- Interim management for business associations
- Mediation and dispute avoidance strategies
- Strategic negotiation management
- Seminars and coaching

MANAGEMENT

Stefan Zickgraf
Managing Partner

Stefan is a trained lawyer with a 20-year track record in European affairs. He started his career in a law firm in Cologne and is registered as a lawyer and a member of the Bar Association in Germany. After a first professional experience at the German Chamber of Commerce in Porto, Stefan has been working in Brussels and acquired significant experience with EU projects as a project coordinator, expert and consultant. He speaks English, French, Portuguese and Spanish besides his native German.

Frédéric Maas
Managing Partner

Frédéric is a certified Scrum Master, Business Mediator and Negotiator. He specializes in international project management, innovation and business development. He studied European governance and economics in France, Switzerland and Canada and holds Master's Degrees from Sciences Po Paris and the University of St. Gallen. Moreover, he is an accredited translator and interpreter for English, French and German.
